March Break Art Camp

Art
Ages 5 - 12

Our **March Break Art Camp** was designed to stimulate creativity in the mind and body through unique artistic and physical exercises. Each day will begin with an instructed art class, teaching the child essential techniques to be used throughout the week. Afterward, the child will participate in an original **BodyWorx** exercise hosted next door in their fitness studio. The afternoon will focus on the child's personal interest in freestyle expression in which they will be able to design and create freely. Every day will be a new and exciting experience through music, energy, motivation, enthusiasm, and wellness.
